

Bellerive Primary School Launching into Learning

Welcome to Launching into Learning (LiL) at Bellerive Primary School. We offer two programs, B4 at Bellerive and Pre-Kinder throughout the school year for children from birth to five.

We provide an engaging play based learning environment encouraging strong home school links with a focus on individual learning styles. Our sessions combine to create a vibrant community of learners in our Early Years programs.

Our programs focus on promoting school readiness by assisting children in learning through play based experiences, both individually and collaboratively, and supporting parents to act as co-teachers with their children.

Please contact the office to express interest in attending the program. Programs commence Thursday 10th March 2022.
